**\$2**

**BE A LEARNER, BE RESPONSIBLE, BE ENCOURAGING**

**BE RESPONSIBLE**  
**BE RESPECTFUL**  
**BE A LEARNER**  
**BE SAFE**

# WEEK 5 COOKING

## TASTE, TASTE, TASTE

### SEASONAL PRODUCE TASTES BETTER

This week in the kitchen a Seasonal Fruit and Vegetable Guide was used to help choose our fruit and vegetables to be used in our recipes.

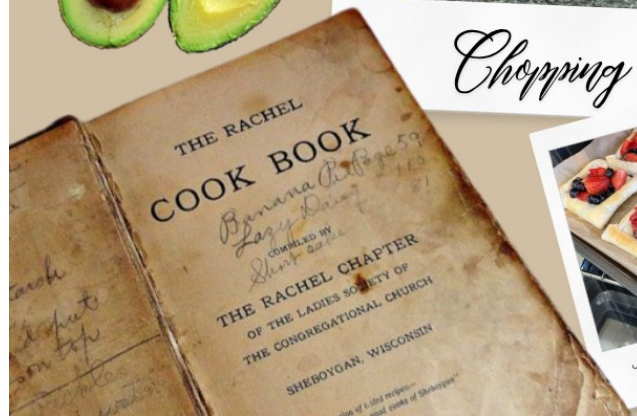

Years 5/6 made Avocado & Tomato Crisp Breads and Berry Pizzas.

Year 4/5 and 3/4 made Pumpkin Scones and Apple & Nutella Crunchy Dips.

Our kitchen smelt amazing when our Preps and 2/3G made Basil Pesto to add to our pasta.

- Mrs Nilon 😊

### Potato Kids – getting them off the couch

[youcandoiteducation.com.au](http://youcandoiteducation.com.au)

Getting our kids off the couch or computer chair is in their best interests, especially when it comes to their physical and mental health.

#### Encouragement to get off the couch

Most kids are naturally active, but screen time can be addictive and it's easy for them to lose track of how much time has been spent sitting in the one position.

**Getting them off the couch can be done anytime.** The aim is to keep it enjoyable, regular and social. While our kids keep moving, they're helping to keep their weight in check and lessen the potential for type 2 diabetes. They're also going to look good and feel great and the same can't really be said for potatoes. If encouraged, most kids are into a walk, back yard game of cricket, or kicking a ball in the park.

#### The benefits of exercising

Kids who exercise, generally sleep better and suffer less from tension and stress.

Physical fitness also aids concentration and overall feelings of wellbeing.

#### Ideas for getting kids moving

**Sign up for sport** – not every kid's ideal, but for those who don't mind rules and like being part of a team, competitive sport can be the go. Being part of a team also encourages feelings of belonging as well as encouraging friendships and commitment.

**Move with them** – do things as a family, like walking, biking, swimming, playing outdoor games.

**Picnic more often** – map out a favourite place, take the Frisbee, bats and balls.

**Get to know the neighbourhood** – walk, catch public transport, check out shops, visit friends.

**Social Saturdays** – book up friends with kids of the same age, visit museums, libraries, adventure parks with climbing frames and other equipment.

# SCHOOL UNIFORM

## Wear it with Pride!

With the weather becoming cooler, students are starting to let their uniform standards slip. Parents, please check what your child is wearing to school each morning. If you need to stock up on winter clothing, please pop in to see the uniform shop.

We expect all students to wear:

- \*Correct black shoes
- \*Black or white socks
- \*Full school uniform - including appropriate navy-blue school pants and navy-blue jumper or Rockville SS spray jacket.

If you have any questions, please do not hesitate to contact the school about the uniform policy.

Many students and parents ask why it matters whether students wear the correct uniform or not. Well...

"The school uniform is not just a dress code; it is a vital part of our educational environment. It promotes discipline, equality, community, and pride."

Wearing the school uniform is more than just a daily routine; it is the first step in fostering a sense of discipline and respect within our school community. When students choose not to wear their uniform, it is often the first act of non-compliance, setting a tone of disregard even before they step into the classroom. This small act can have a ripple effect, influencing their attitude towards other school rules and expectations.

Compliance with the uniform policy is crucial in creating a better learning environment. When students wear their uniforms, it minimises distractions and helps them focus on their studies, allowing students to concentrate on what truly matters – their education. It creates a sense of equality, where students are respected for their character and abilities rather than their clothing choices.

Additionally, wearing the school uniform fosters a strong sense of community and belonging. It symbolises unity and school spirit, reminding students that they are part of something bigger than themselves. This shared identity can enhance collaboration and mutual respect among students, creating a supportive and cohesive school culture.
